

Group Menu Packages

Cheese World is situated in Allansford on the western end of Victoria's Great Ocean Road between Port Campbell and Warrnambool catering for tour groups by providing a tasty break in the journey and an opportunity to learn about the local dairy industry.

Whilst we do offer delicious light lunches, morning and afternoon teas, Cheese World is more than just a tasty lunch stop. There is so much more to see and do.

Your group will enjoy a complimentary cheese tasting from locally made award winning Warrnambool Cheddar cheeses, a viewing of a DVD showing the cheese production and an opportunity to purchase gourmet food lines, local wines and country style gift ware in our Cheese & Wine Cellar.

Unfortunately, due to Health and Safety regulations, we are unable to take visitors inside our cheese factory. However, upon request, we will supply a guest speaker to give an overview of the history of the Warrnambool Cheese & Butter Company and take your group for a guided tour through our free dairy farming history Museum situated within the complex.

A visit including a meal would require 60-90 minutes and without a meal 30-50 minutes.
